

BE2

Wireless Bluetooth in-ear headphones

- Incredible 10 hours playtime – Non-stop listening on-the-go
- Patented SpinFit TwinBlade® ear tips – Superior stability, noise isolation and secure fit
- AAC support for iPhone, iPad and Mac – The best sound quality from Apple devices
- Built-in microphone - For calls, Alexa, Cortana, Siri and Google Assistant

Stay connected with the BE2 Bluetooth in-ear headphones offering an incredible battery life of up to 10 hours. The lightweight, durable design and custom ear tips keep them securely in place. They are also IPX5 certified for greater protection from rain and sweat. In addition, wireless means compatibility with smartphones that don't include an audio jack.
