

# Canon

## Canon X Mark 1 Presenter

### Stylish X MARK design

The X MARK I Presenter is both stylish and practical. Lightweight in design, its smart matt black surface and slim body is comfortable to hold and easily transportable.

### 4-in-1 device

In addition to the calculator functions, the X MARK I Presenter is a remote control for presentations, a laser pointer, and a presentation timer for exceptional versatility.

### Black aluminium upper case

Ergonomically designed to feel comfortable in the hand, the X MARK I Presenter is finished in a black aluminium upper casing, ensuring its style matches its performance.

### Control your presentation

Present seamlessly to your audience scrolling through slides in Windows PowerPoint and Mac Keynote presentations. Go forward, back, hide or unhide your presentation with the touch of a button.
